"Hong Yung" Pest Control and Sterilization
Service can lend you a hand!

Established as a social enterprise under Fu Hong Society in 2004, Hong Yung Service Limited (Hong Yung) has set up a professional pest control team. Its team members are technicians of Hong Kong Pest Control Association, and possess the Hong Kong Polytechnic University's Certificate in "Pest Control and Pesticide Safety" as well as The University of Hong Kong's "Pest Control Course" Certificate, who are reliable technicians.

Our Company uses government-registered environmentally friendly pest control drugs and is equipped with sprayer and appliances. By identifying spraying position that accords with pest habits, optimal results are achieved which include effective air sterilization, pest and flea control, as well as elimination of odour produced by the germs. With long lasting effect, the drugs we used are safe and reliable, and harmless to humans and animals.
