

親親大自然

Get in touch with nature

Gap International Sourcing (Holdings) Ltd贊助天水圍地區支援中心約一萬元於2012年12月8日舉行「親親大自然」活動。是次活動在元朗錦田鄉村俱樂部舉行，參加者在大草地上一同參與互動遊戲、欣賞園內植物、參觀小型動物園、一起燒烤午膳，下午則分組採摘士多啤梨。

當天中心會員及義工均有很多交流和接觸的機會，透過分享日常生活、學習及工作的情況，增加彼此的溝通及認識，從而達至社會共融的目的。本會感謝Gap International Sourcing (Holdings) Ltd的捐款，讓智障人士有機會接觸不同事物，擴闊他們的生活經驗。不少參加者表示享受當日的活動，並希望再有機會參加類似活動。

Funded by some \$10,000 donation from Gap International Sourcing (Holdings) Ltd., our Tin Shui Wai District Support Centre organized the "Get in touch with Nature" activity at Kam Tin Country Club, Yuen Long, on 8 December 2012. Participants of the activity played interactive games on a stretch of open lush lawn, appreciated garden plants, visited a small zoo, and enjoyed a barbecue lunch before picking strawberries in groups in the afternoon.

With a view to achieving social inclusion, our members and volunteers were offered on that day a host of opportunities to interact and communicate with each other. In addition, they enhanced their communication skills and gained knowledge by sharing their experiences about life, learning and work. We express our appreciation to Gap International Sourcing (Holdings) Ltd for its donation, which allowed persons with intellectual disabilities to get in touch with different aspects of the world, and enrich their experience of life. A number of participants enjoyed the activity and expressed their wish that they would like to join more activities of such kind.
