聽樂治療 Listening Therapy

計劃承蒙UPS基金及社會福利署攜手扶弱基金贊助
The project is sponsored by UPS Foundation and Social Welfare Department Partnership Fund for the Disadvantaged

此計劃乃是一項以聽樂治療及感知肌能活動以改善感覺處理能力的訓練，從而提升學前及學齡兒童的專注力、空間感、動作計劃及協調、增強溝通等能力，並增加家長對訓練技巧的了解。

The project is a training using listening therapy and sensory motor activities to improve sensory processing ability. This can enhance the concentration ability, sensation of space, motion coordination, communication ability of pre-school and school children, and also their parents' understanding to the training skills.
