### Inauguration Ceremony of Integrated Community Centre for Mental Wellness - Sunrise Centre

The inauguration ceremony of Fu Hong Society's Sunrise Centre was held on 23 March 2013 with officiating guests included Mr Matthew Cheung Kin-chung, GBS, JP, Secretary for Labour and Welfare; His Eminence Cardinal John Tong Hon, Bishop of Hong Kong; Mr Au Lap-sing, member of the Southern District Council, and Dr Ip Yan-ming, JP, President of Fu Hong Society. The ceremony was followed by a sharing session on our research of service users' participation. The purpose of the research, funded by S.K. Yee Medical Foundation, was to promote service users as our service partners.

In September 2012, Sunrise Centre was relocated to Wah Mei House, Wah Fu Estate and started serving the public. It is Hong Kong's first integrated community centre for mental wellness established in a public housing estate, offering one-stop mental health service and community support for residents, persons with psychiatric disabilities, and persons with suspected mental health problems living in the Central District and some parts of the Southern District, as well as their families and caregivers. The Centre is committed to promoting the public's awareness about mental health, in addition to advocating living a happy life and community caring.
