

# “國際廚師日2023” International Chefs Day

每年不同地方的廚師組織，都會參與並慶祝十月二十日的「國際廚師日」，貢獻自身力量回饋社會。去年扶康會再獲香港廚師協會邀請，成為「國際廚師日」的受惠機構之一，服務使用者亦恢復外出，享用香港廚師協會製作的佳餚。

去年十月，四百名服務使用者與家屬，於香港廚師協會和華懋集團的支持下，在荃灣西如心酒店享用香港廚師協會製作的五星級美食。當日，有超過三十位大廚和年輕廚師，為大家預備豐富自助午餐；而華懋集團義工隊亦協助現場活動安排。

一眾服務使用者紛紛大呼「好食」，即使部分未能說出口，臉上都洋溢著笑容。除了可享用美饌，他們都感受到義工的關心，也可以和家屬共聚，對近年較少外出的服務使用者來說，經歷了難忘的一日。

香港廚師協會亦不忘未能到場參與的服務使用者，為本會康復中心超過四百位服務使用者製作愛心飯盒。

Every year, chefs from different places around the world would participate in and celebrate the “International Chefs Day” on October 20th, making a positive impact in the communities. In 2023, Fu Hong Society was once again invited by the Hong Kong Chefs Association to be one of the beneficiary organizations of the “International Chefs Day”, and the service users have resumed outdoor activities to enjoy the fine cuisine prepared by the Hong Kong Chefs Association.

Last year, four hundred service users and their families enjoyed a five-star gourmet meal prepared by the Hong Kong Chefs Association at the Nina Hotel Tsuen Wan West, with the support of the Hong Kong Chefs Association and Chinachem Group. More than 30 chefs joined together to prepared delicious lunch buffet for them.

Volunteers from Chinachem Group also coordinated the on-site event arrangements.

On that day, many service users exclaimed "It's so delicious!" While some could not express it verbally, smiles were seen on everyone's faces. In addition to enjoying the fine food, they also felt the love and care of the volunteers and were able to gather with their families. For service users who have had fewer opportunities for outdoor activities in recent years, it was an unforgettable day.

The Hong Kong Chefs Association also did not forget the service users who could not joined the event. They prepared loving lunch boxes for over four hundred service users at our Rehabilitation Centre.
