“Madam Hong Care” Disinfection and Protective Equipment Store – The new business of our social enterprise (Hong Yung Services Limited) is now opened at West Coast International Building, Cheung Sha Wan!

Madam Hong Care Opening Ceremony was grandly held on 18 September 2021 (Saturday). Mr. WONG Kwong Yiu, Chairman of the Advisory Committee on Enhancing Self-Reliance Through District Partnership Programme; Prof. YEUNG King Lun, Director of HKUST-CIL Joint Laboratory of Environmental Health Technologies; Ms. CHAU Fung Mui, the then District Social Welfare Officer (Sham Shui Po), Social Welfare Department was invited to the officiating ceremony and witness the unremitting efforts of Hong Yung Services Limited (Hong Yung) to create more employment opportunities for persons with disabilities and the disadvantaged groups with our partners.

Mr. LI Pak Ho, MBE, JP, Chairman of Hong Yung Services Limited said at the ceremony that the proportion of the disabled and disadvantaged employees in Hong Yung has reached approximately 80%, which is a high ratio. Additionally, Madam Hong Care will create at least 14 employment opportunities for persons with disabilities and disadvantaged groups in the next 3 years.

Mr. SZE Kyran, MH, the then Chairman of the Society's Council used the slogan “Madam Hong Care · Hong Kong Everywhere” in his speech, implying that the Society and Hong Yung will continue to develop more diversified businesses, in order to spread the kindness and inclusiveness of Madam Hong to everywhere in Hong Kong. Also, more employment opportunities will be created for the persons with disabilities and the disadvantaged groups. Together we build a society for all.

In addition, Madam Hong Care collects personal disinfection and anti-epidemic products for consumers, including surgical masks that are made in Hong Kong, natural non-polluting household cleaners and insecticides, air purifiers and household appliances, such as robotic vacuum, and air purifier and hot & cool fan. The products are diversified, there must be one thing suits you.

Consumer consumption will also create employment for the persons with disabilities and disadvantaged groups, creating a significant win-win situation for the society.
