

扶康會四十五周年誌慶微電影 「殊·不簡單」

45th Anniversary Celebration Microfilm "A Special Journey"

「差異也許是種天賦，但接納卻是種選擇。」
"Difference is perhaps a blessing, but acceptance is a choice."

本會適逢四十五周年誌慶，首次製作微電影，讓大眾更了解殘疾人士的才能，並展現殘疾人士的堅毅意志，藉此推動社會共融。有別於以往的宣傳片，是次微電影強調展現殘疾人士的真實故事，著重電影感及戲劇效果，更邀得著名演員楊淇小姐及李敏小姐擔任主角，令共融的訊息更容易為公眾接受。

片長 30 分鐘的微電影，劇本以本會服務使用者——美容的真實故事為藍本，經潤飾改編而成，內容講述輕度智障人士「玲姐」（楊淇飾演），經歷喪夫、受傷、失業、支援網絡薄弱和住屋問題，以堅毅的「攞得掂」信念，以及在社工方凝（李敏飾演）及本會跨專業服務的支援下，漸漸走出陰霾，在工作上發揮所長，入住共融房屋，並重新站起來的動人故事……。影片除了揭示殘疾人士面對的生活困難和需要，更重要是突

In celebration of our 45th anniversary and to promote social inclusion, the Society produced its first microfilm to allow the public to learn about the talents and the steadfast determination of persons with disabilities. Different from previous promotional films, this microfilm focused on depicting the true stories of persons with disabilities and placed an emphasis on cinematic and dramatic effects. The famous actresses Ms. YEUNG Kate and Ms. LEE Ranya were invited to play the main characters, allowing the message of social inclusion to better resonate with audiences.

The script of this 30-minute microfilm used the true story of one of our service users, Mei Yung, as its blueprint. The contents were later edited and adapted to describe the touching story of Ling (played by YEUNG Kate), a person with mild intellectual disabilities, suffered from bereavement, injury, unemployment, a weak support network and housing, but kept a determined "Nail it!" attitude, and under the support of social worker FONG Ying (played by LEE Ranya) and the Society, gradually freed herself from her predicament. Eventually, Ling exhibited her talents in her work, moved into Inclusive Housing, and stood up once more against the odds. The microfilm not only reveals the difficulties and needs of persons with disabilities, but more importantly, it highlights their unique talents and resilience.

This just echoes the title of the microfilm "A Special

「係唔簡單架，有我地同你一齊行，就攞得掂！」
"Though it is not easy, you can nail it if we are with you!"

顯他們獨特的才能和抗逆力。這正好呼應片名「殊·不簡單」，殘疾人士雖然是特殊，但他們面對的困難一點不簡單，同時，他們的堅毅和韌力同樣不簡單。

籌備超過一年的微電影，在建時地產創辦人施家殷先生、MH 的贊助下，於 2022 年 12 月中旬首次登上大銀幕，並廣邀社會各界人士一同觀看「殊·不簡單」，藉此提高外界對殘疾人士的關注，宣揚「差異也許是種天賦，但接納卻是種選擇」的共融訊息。放映會邀得導演關永宇先生、主角楊淇小姐及真實故事的主角美容分別於不同場次與嘉賓分享，讓大家可以對電影及故事有更立體的認識。

Journey". Although persons with disabilities are special, the difficulties they face are not simple at all. At the same time, their perseverance and resilience are also not simple.

The microfilm had been in the works for over a year, under the sponsorship of Mr. SZE Kyran, MH, the founder of KYSS Properties Limited, the microfilm debuted on the big screen in December 2022. Our partners were invited to enjoy "A Special Journey" together in order to increase awareness about persons with disabilities, promote the inclusive message of "difference is perhaps a blessing, but acceptance is a choice", as well as call on partners to continue to support the social inclusion work of Fu Hong Society. Director Mr. KWAN Wing Yu was also invited to attend the screening, while lead actress YEUNG Kate and the protagonist in the real-life story Mei Yung respectively shared their experiences with audiences at different screenings to allow everyone to have a more comprehensive understanding of the film.
