與照顧者同行：聆聽心聲，共建服務

本會深信，照顧者是我們最重要、最親密的夥伴。為了實踐「以人為本」的承諾，我們建立了一套由下而上的溝通架構。從最貼近日常生活的「服務單位家長組」，到發揮地區影響力的「區域小組委員會」，乃至參與決策和監督的「服務監察委員會」，我們確保照顧者的建議能直達機構核心。透過這些平台，我們與照顧者攜手，打造更貼心、更有溫度的服務體驗。

Walking with Caregivers: Listening to Their Hearts, Building Services Together

Caregivers are our most vital partners. To uphold the 'people-oriented' approach, we have established a bottom-up feedback system. From 'Parent Groups' at the service unit level to 'Regional Sub-Committees' and the 'Service Monitoring Committee', we ensure caregivers' insights inform our strategic planning. Together, we co-create a warmer, more responsive service experience.

積極配合「太平紳士非法定巡視」

本會轄下位於香港仔的扶康會康復中心，為社會福利署統籌的殘疾人士日間及住宿服務單位。多年來，中心一直積極配合「太平紳士探訪計劃」下的非法定巡視。這項每半年進行一次的巡視，不僅深化了本會與政府的緊密協作，更是我們持續提升服務水準的體現。

該巡視採取「事前通知兩位到訪太平紳士名單、不預告實際日期」的突擊方式。到訪的太平紳士透過實地視察各個日間與住宿服務單位，與服務使用者直接溝通，真誠聆聽殘疾人士的心聲與意見。巡視後，太平紳士會就其觀察撰寫報告。不論是正面嘉許或具建設性的改善建議，中心管理團隊均高度重視並作適切跟進。

多年來，我們始終將「太平紳士非法定巡視」視為推動優質服務的正面助力; 未來，本會將繼續精益求精，為服務使用者營造更臻完善及全面的康復環境。

Participation in 'Justices of the Peace Non-Statutory Visits'

Located in Aberdeen, the Fu Hong Society Rehabilitation Centre, is a day and residential care service unit for persons with disabilities coordinated by the Social Welfare Department. For many years, the Centre has actively participated in non-statutory visits under the 'Justices of the Peace (JPs) Visiting Scheme'. Conducted biannually, these visits reinforce the Society's close partnership with the Government and serve as an important mechanism for continuously enhancing service quality. The visits are conducted on an unannounced basis; while the names of the two attending Justices of the Peace are provided in advance, the exact date remains undisclosed. During the visits, the JPs tour our day and residential service units, interact directly with service users, and attentively listen to their views and feedback.

Subsequent to the visits, the Justices of the Peace submit reports that outlining both positive commendations and constructive areas for improvement. The Centre's management team attaches great importance to these insights, ensuring timely and appropriate follow-up actions.

The Society continues to regard these Non-Statutory Visits as a valuable driver of excellence. Moving forward, we remain committed to continuous improvement, striving to provide an even more comprehensive and high-quality rehabilitation environment for our service users.
